

2024-25 NJSIAA Field Hockey Tournament

NJSIAA reserves the right to adjust, change or cancel dates, times, and locations for all NJSIAA State tournaments. Schools entering the tournament will not be granted a change of date/time due to any conflicts with school trips, proms, banquets, SATs, unless agreed upon by both schools. During the spring tournament season, we will make every effort to accommodate schools that have a conflict with their graduation.

Member schools will not be eligible to participate in any NJSIAA Tournaments if it has violated the NJSIAA Constitution, Bylaws, Rules, Regulations, Guidelines, Policies, or Procedures. Any student-athlete who transfers after the competition start date will not be eligible for this tournament (Bylaws, Article V, Section 4.K. 5).

Schools are to be reminded of the 3-team DQ rule for state tournament eligibility, which states “Any varsity team accumulating three or more player or coach disqualifications prior to the team’s participation in the state tournament will not be permitted to participate in the state tournament. The 3-team DQ rule is no longer applicable during participation in the state tournament.

The NJSIAA will follow the procedure below for schools that are disqualified from state tournament competition:

1. If a school is disqualified, either for the use of an ineligible player or violating the 3-team DQ rule, from state tournament competition after the tournament has been seeded but prior to the bracket being final, then the bracket will be reseeded and the next ranked school who entered the tournament will be included.
2. If a school is disqualified, either for the use of an ineligible player or violating the 3-team DQ rule, from state tournament competition after the tournament has been seeded and after the bracket is final, then the bracket will not be reseeded, and no additional school will be included.
3. If a school is disqualified from state tournament competition due to the use of an ineligible player during the state tournament, then the school will be removed from the tournament immediately and their last opponent will advance in their place.

Schools participating in any NJSIAA tournament are responsible for the actions and behaviors of their spectators. Schools are required to provide adequate staff security to ensure there is proper oversight of their spectators. In addition, schools are financially responsible for any damages to the property or premises caused by their student-athletes, staff, or spectators (spectators include, but are not limited to, cheerleaders, marching band participants, students, and other fans).

NJSIAA requires Certified Athletic Trainers at all its tournament events. The ATC must document all injuries on an injury report form. This form must be available to the NJSIAA upon request.

Member schools not willing or able to comply with these tournament regulations and any relevant procedures found in the Operating Procedures Handbook should not enter the tournament. Member schools are encouraged to review these tournament regulations with the school administration. Coaches must have a copy of these regulations as well as a copy of the Rule Modifications (if any) for this tournament available at all contests. Copies of these documents are available on the NJSIAA website.

To Qualify for the Team Tournament

1. Teams must be competing on a varsity interscholastic basis and sixty percent (60%) of the games played on or before the cutoff date must be against New Jersey schools.
2. The top 16 teams from each section and each group will qualify for this tournament using the PowerPoint system.
3. Games played after the cutoff date will not count toward the PowerPoint calculation even if they were started before the cutoff date.
4. If there is a tie in power points, the current NJSIAA tie-breaking procedure will break all ties.
5. Any player with two (2) or more disqualifications in the current season, prior to the start of the tournament, will be unable to compete in the state tournament.
6. Any varsity team accumulating three (3) or more player or coach disqualifications prior to the start of the tournament will not be permitted to participate in the state tournament.

PowerPoint Procedure

The PowerPoints earned from each game are based on the sum of Quality Points and Residual Points, which is then multiplied by a strength of schedule factor (OOWP). The sum of each game's power points will then be averaged, and the result will be your team's PowerPoints. All PowerPoints will be rounded to three (3) decimal places where applicable.

Formula:

Step 1: (Quality Points + Residual Points) x OOWP = Game PowerPoints

Step 2: (Sum of Game PowerPoints) / Number of Games = Team PowerPoints

Notes:

1. All games played from opening day to the cutoff date will count, regardless of how many games are played.
2. Field Hockey predetermined minimum number of games is 12. All teams that fall below this minimum number are still eligible for the playoffs, however their points will be divided by the minimum number of 12.
3. Residual points will be awarded based on your opponents' **first 12 games**.
4. Ties will be calculated only for sports where the regulations state ties are acceptable outcomes.

Out of State / Non-Member Opponents – Games against out-of-state or non-member opponents will count for power points and will follow the same calculation procedure as games against member schools except they will be assigned a .500 record for the purposes of residual points and OOWP calculations.
