

Communicable Disease Response and Prevention for Student Athletes
September 16, 2024, through October 31, 2024
On Demand via GoToWebinar
Credit is available from September 16, 2024, to October 16, 2024

The New Jersey Department of Health Communicable Disease Service, DSH Team (Daycares, Schools, and Higher Education), would like to invite you to the activity titled, “Communicable Disease Response and Prevention for Student Athletes.”

Upon completion of the activity, attendees will be able to identify strategies to prevent, recognize, and mitigate communicable diseases in school athletes.

The Speaker for the activity is Stacey DeFrank, BSN, RN, CSN.

None of the planners or speakers for this educational activity have relevant financial relationships with ineligible companies to disclose.

Registration on NJLMN is required regardless of the need for continuing education credit.

1. To Register: Sign in to your NJLMN account. To find the course: Choose the On Demand 24/7 Course Catalog. This will bring you to On-Demand 24/7. Scroll down to find “Communicable Disease Response and Prevention for Student Athletes.”
2. Once registered you will be asked to register on GoToWebinar. This will bring you to the link to the webinar. You will also receive a confirmation email.

If you do not have NJLMN account, create an account before registering. Create a free NJLMN account at <https://njlmn.njlincs.net/> NOTE: Write down your Username and Password so you can access future NJLMN offerings.

One Nursing Contact Hour or One Public Health Credit will be awarded to those who participate in the entire educational activity and complete the evaluation. Credits are available from September 16, 2024, through October 16, 2024. Credits will not be available after October 16, 2024.

To complete the evaluation, sign in to your NJLMN account and click on the “My Registration” tab on the top of the page. You will see the program listed and a link to the evaluation. Click on the evaluation link. NOTE: You will need your NJLMN Username and Password to include in the evaluation.
