

Tennis Coaches Clinic 2025

January 10, 2025

Please note - Coaches will need to park in the Meadows parking garage (highlighted on the map where it says **Officials Parking**). The garage is a 4 min walk to the entrance. The front entrance is also marked on the map - which is important as it's quite a big complex and that is the only entrance for you. Once inside, a front desk attendant can direct you to the registration desk. There will be signage as well. The address is 325 Court Drive, Princeton - that will take you to the actual building, so you simply need to park in the garage before GPS directs you to the building.
